

Quarterly News & Updates - January 2025

Our Mission: "To engage and empower women and men considering abortion to choose life for their child, and healing, and abundant life for themselves in Christ"

From the Desk of the Executive Director

Moving Forward into the next 40 years

Just as Joshua led the Israelites into the Promised Land after 40 years in the wilderness, The Boston Center for Pregnancy Choices is looking forward to the next 40 years of service.

When I look back on this past 40th anniversary year, I think of how we have pressed on in spite of opposition from the current administration and other politicians who disparage us for the good work that we do. I think of our 40

year celebration and the testimonies from clients who are so appreciative of the help that they have received from us. I think of the Day for Life event at the State House and the 100's who attended and the many testimonies from clients that were given as well as the over 4,000 petitions that were delivered to the Governor's office in support of the pregnancy resource centers in the Commonwealth. I think of the Youth event that we held at Beacon Community Church and the presence that we had at Revive Boston's March for Jesus. I think about how we fully trained an OBGYN nurse to be ready to perform ultrasounds for a physician's office next to our location. And I especially relish the visits to our supporting churches and the support from all of our donors and volunteers and the many, many prayers that have been prayed for us. We simply **could not do this life saving and life healing work without you!**

When I look forward into the new year, I think of how we recently hired a new Director of Community Engagement/Development who started this month. She will be integral to expanding our presence in the Boston area community and with surrounding churches. Laura is looking forward to getting to know you all better and to engaging with you and our surrounding community. I think of the revamping of all three of our websites and developing better marketing strategies to reach more clients and help more families. I think of the expansion of the material resources that we are able to provide and reaching more resource clients in 2025. I also think of how we were approved as a 'Deeper Still' after abortion healing chapter and how we will be able to reach more women and men for after abortion healing through the 'Deeper Still' program.

It is such a privilege to be a part of all that God is doing at the Boston Center for Pregnancy Choices. We are so thankful to you, our donors, and to our volunteers and prayer warriors. Your partnership makes this life-saving work possible!

May God richly bless you all!

Diane O'Toole, Executive Director

"Choose Life, so that you and your children may live and that you may love the Lord your God, listen to his voice, and hold fast to Him" Deuteronomy 30:20

Each Baby is Precious to God Norine's Story:

"I was not sure if I wanted to have an abortion. Then someone told me about the Boston Center for Pregnancy Choices. I was having problems with my partner. It was a very difficult time for me. Being able to talk with someone regularly at the center was really helpful for me throughout my pregnancy. One of the biggest supports was knowing my counselor was helping me find solutions. She also provided a comforting word at the end of every session. Thank you BCPC for supporting me during such a trying time! I now have a beautiful baby girl."

Gala for Life

Join Us on Thursday, May 22nd
2025 for our Gala for Life event at
the Four Points Sheraton in
Norwood

Keynote Speaker:

Terry Beatley, President
Hosea Initiative

Mark your calendars and plan to attend!

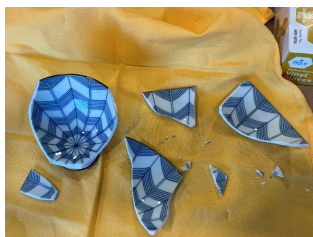

Springwater After Abortion Healing Update

By Sara Loy, Springwater Director

2024 was quite the year for Springwater...one of new wineskins. Many changes took place, including a change in staff (just Sara Loy now after the Lord called Meredith Wood away), a change in location (now in the clocktower at Life Community Church in Quincy), and different programming after a deep dive into Deeper Still! We received approval to open a Boston Chapter underneath Springwater, and our first Deeper Still Boston retreat will be in May 2025! ([Boston – Coming 2025!](#) [Deeper Still](#)) This Holy Spirit led, Christ-filled ministry is truly setting captives free, and we're humbled that God led us to be a part of it.

We are thankful for the 31 lives the Lord touched through Springwater in 2024. God is doing so much healing as women and men grieve and connect with their children in heaven! He is so good!

God takes our broken pieces

Puts them together and makes them
beautiful

From the Desk of the Board Chair

Dear friends for life,

Happy New Year!

“This is the day the Lord has made; We will rejoice and be glad in it.” NKJV 24:118 Psalms

All Praise and Glory to the Lord for blessing the efforts of the **Boston Center for Pregnancy Choices** for a full 40 years. We will continue to depend on Him through future challenges in this spiritual battle of good vs evil, truth vs lies, life vs death. We will follow Him to final **victory**.

After completing our first 40 years, we invite you to join us in celebrating all the saved babies and their legacies, and all the women and men who accepted Christ for themselves and their families. He continues to answer our prayers by working through our counselors and the combined efforts of **staff, volunteers, financial partners, churches**, and the **prayers** of all Christian brothers and sisters dedicated to His truth. We pray for ongoing perseverance and strength for all of us as we begin the next season of battles that lie ahead. We continue because the **truth** will win in the end.

Awareness

“We can rejoice, too, when we run into problems and trials, for we know that they help us develop endurance”. Romans 5:3

We have always worked to increase and improve the services offered to our clients (i.e., Please see the included update of our Springwater after abortion ministry). We begin 2025 amid our most recent obstacles, which are, no doubt, convincing potential clients to make a rash decision they end up regretting.

Pregnancy Center work and motives have always been counter to the ways of this fallen world. Currently, there are secular leaders in government specifically targeting our potential **clients**. Lies are being spread about pregnancy resource centers and the way we operate, as well as our motives, which in truth are to provide free services and bring **Hope, Help, and Healing** to women and men struggling in difficult, life-changing situations.

A second new obstacle is easy access to the **abortion pill**. With the wide availability, women can easily access the two-pill regimen, even without a doctor's involvement. Obviously, this makes it more dangerous for the women who choose this course. (For sure, no abortion is safe, because when successful, it always kills at least one **image bearer of God**).

Servant Leaders

“As each has received a gift, use it to serve one another, as good stewards of God's varied grace:”

1 Peter 4:10

During this **Sanctity of Human Life** month 2025, as the current chair of the board of directors, I ask you, our loyal supporter, to prayerfully consider offering your God given skills to the leadership of the Boston Center for Pregnancy Choices. Our **Board of Directors** is organized as a governing board with final responsibility for finances, policies, and strategies. Our bylaws call for term limits of three years, with a limit of two consecutive terms. Therefore, we often need to onboard qualified candidates. If you are interested, or have questions, please contact me directly at ldavis@bostonpregnancychoices.org.

Our hope is in the lord,

Larry Davis

Welcome to Laura Chaboya our new Director of Community Engagement/Development!

As a follower of Christ, a proud military spouse, and a devoted mother, I am truly honored and excited to join the Boston Center for Pregnancy Choices (BCPC) as the Director of Community Engagement. I am passionate about supporting the organization's mission to provide resources, the love of Christ, and the care that women and men need during the critical moment of pregnancy.

My family's story has profoundly shaped who I am. I am the daughter of an adopted father whose biological mother made a courageous decision that forever blessed his life and, in turn, my own. The youngest of 11 children, my father was born in Mexico and adopted by distant relatives in California. This selfless choice opened the door for him to serve in the armed forces, access a college education, and seize opportunities that would have been unimaginable in an impoverished family of 11 siblings.

As a first-generation Mexican American, I grew up in the culturally rich landscapes of New Mexico, with brief periods spent in South Korea and Italy. My first language was Spanish, which has allowed me to connect deeply with diverse communities throughout my life. My husband, David, and I are avid salsa dancers, a shared passion that brought us together and continues to bring joy to our lives. Currently, we are based in Boston, where David serves as an officer in the U.S. Air Force at Hanscom AFB.

My transition to the Boston Center for Pregnancy Choices followed a period of soul-searching, during which I realized my Christian values and passion for making a meaningful impact in my local community no longer aligned with my career. My hope is to be a tool for Jesus, helping to leverage resources and gifts for the most vulnerable in our small corner of the world—and I want you to be a part of that journey with me.

I hold a Bachelor of Science in Political Science with a minor in Spanish from Southern Illinois University Edwardsville, where I graduated summa cum laude. In addition, I am certified in PAC and Grassroots Management through the Public Affairs Council. Outside of my professional life, I am deeply committed to community building and cherishing the precious moments of raising my son, Gabriel, alongside my husband.

Did you know that we love to visit our supporting churches and to go out

and speak in the community about the free services that we offer?

Request a Speaker Today!

Thank You to the elves that helped to bring Christmas Cheer to our clients!

A very special **Thank You** to Fr. Paolo Cumin and Marcia (the office secretary) from **Sacred Heart Parish** and to Gavin Drucis and the **Boston University Students for Life** who organized Christmas presents for our clients and their families.

The clients were overwhelmed with gratitude!

You Can Help Make a Greater Impact!

We need your help to save more babies in 2025 and beyond!

We continue to seek to build a **Gideon's Army of 300 monthly donors**. In the Bible in the book of Judges, God created an army of 300 Israeli warriors, led by Gideon, who went into battle and defeated the Midian army of 135,000 men.

We would like to create our own "Gideon's Army" consisting of 300 loyal monthly donors **to help us in our life and death battle to save babies and bring young families to Christ.**

While all donations to BCPC are greatly appreciated, **a recurring monthly donation has a great benefit of consistency for budgeting and planning for growth.** Simply check the box on the donation page to make your gift monthly.

Together we can make a difference!

DONATE TODAY!

Current Volunteer Needs

SEEKING PRAYER WARRIORS

We are seeking prayer warriors to meet once a week via Zoom to pray for the Boston Center for Pregnancy Choices and Springwater after abortion healing center. If you are interested in this vital component of our ministry, please contact Jazmin Ramos at:

jramos@bostonpregnancychoices.org

Other Needs:

- Receptionist
- Social Media Assistant
- Graphic Design Help - remote
- Cleaning Help
- Drivers to drop-off material resources

If you have any of the skills above and would like to assist BCPC on a very part-time basis, we would love to hear from you!

Please contact Jazmin Ramos,
Volunteer Coordinator at:
jramos@bostonpregnancychoices.org

Seeking BCPC Board Members!

Requirements:

- Commitment to the Ministry here at BCPC
- A Love for Christ
- Attend a monthly Zoom Board meeting

Interested candidates should contact Larry Davis at:
ldavis72@comcast.net

Check us out on social media:
